Wait List Guidelines

PLEASE NOTE: THERE ARE NO WAIT LISTS FOR SUMMER SESSION COURSES.

IF YOU WOULD LIKE TO ADD A SUMMER COURSE – ATTEND THE FIRST CLASS MEETING AND ASK THE INSTRUCTOR.

For all undergraduate courses except language courses –

Go to <https://waitlist.ucsb.edu>

Select RELST and find the course code ie. RG ST 15.

Add your name and required information to the list. Read the note from the instructor regarding information on wait list closure and approval code selection and distribution for the specific course.

Keep attending lecture and discussion section until you either receive an approval code or hear that there will be no more approval codes.

If you receive an approval code and do not use it within 48 hours, the code will be given to another student on the wait list.

Please do not contact the instructor or the undergraduate advisor regarding approval codes. All selections will be based on the information you provide on the online wait list.

However, if you would like to add a language course, do contact the instructor directly. Instructor email addresses can be found on this website or email dmcleister@hfa.ucsb.edu and ask for them.
